

Packing for your OBX Vacation

We've used vacation rentals in the OBX for years, and one of our lessons learned is to know what is provided with your vacation rental, and what you need to pack.

With "Kona Breeze", we provide: All bedding, bath towels, hand towels, wash clothes and dish towels. Our housekeeping company, **Shore Details**, will provide a fresh "starter" package of toilet paper, paper towels, and dish detergent.

Below is a recommended packing list. Most of this is pretty obvious but hopefully makes clearer what will be waiting for you. Fortunately, Avon has a big **Food Lion** grocery store that has everything you need to stock your refrigerator, pantry, and bathroom for your days on vacation.

Recommended Packing/Shopping List:

Our local housekeeping company, **Shore Details**, provides a Concierge Service that can arrange to have your refrigerator and pantry stocked to avoid or delay that first day shopping trip. If interested, check out at: www.shoredetails.com/guest-services

We usually rent beach items from **Ocean Atlantic Rentals**: www.oceanatlanticrentals.com

We've rented kayaks, paddleboards, chairs, beach umbrellas and bikes (and they offer delivery).

There is a **pharmacy**, **Dollar Tree** and **Ace Hardware** in the same shopping center as the **Food Lion**.

For adult beverages, we use the **Food Lion** for a wide selection of beer and wine, and the **ABC Store** in Buxton (village south of Avon) for liquor.

Hatteras Realty in Avon (41156 Rt12) allows public use of their **Club Hatteras** tennis courts.
