

Packing for your OBX Vacation

We've used vacation rentals in the OBX for years, and one of our lessons learned is to know what is provided with your vacation rental, and what you need to pack.

With "Kona Breeze", we provide: All bedding, bath towels, hand towels, wash clothes and dish towels. Our housekeeping company, **Shore Details**, will provide a fresh "starter" package of toilet paper, paper towels, and dish detergent.

Below is a recommended packing list. Most of this is pretty obvious but hopefully makes clearer what will be waiting for you. Fortunately, Avon has a big **Food Lion** grocery store that has everything you need to stock your refrigerator, pantry, and bathroom for your days on vacation.

Recommended Packing/Shopping List:

Garbage bags	Toilet paper	Plastic wraps
Dish detergent	Paper towels	Shampoo
Staple items (salt, pepper, sugar, etc.)	Condiments	Paper towels
Napkins	Laundry detergent	Cooler Ice
Bath soap	Coffee/filters/K-Cups	

Some recommended "Beach" items to pack:

Sunscreen	Cooler	Beach toys
Lip Balm	Beach towels	Beach chairs
Beach umbrella	Rafts/boogie boards	Fishing gear
Insect repellent		

Our local housekeeping company, **Shore Details**, does provide a Concierge Service that can arrange to have your refrigerator and pantry stocked to avoid or delay that first day shopping trip. If interested, check out their offering at:

We usually rent beach items from **Ocean Atlantic Rentals:**

We've rented kayaks, paddleboards, chairs, beach umbrellas and bikes (and they offer delivery).

There is a **pharmacy, Dollar Tree and Ace Hardware** in the same shopping center as the **Food Lion**.

For adult beverages, we usually visit **Breeze Thru:**

Easy drivethru and they load your car.
